7) **Summary of the Group's performance for the financial year 2022**

- Revenue increased year-on-year by 6% driven by strong performance in the Managed Solutions operating segment.
- Operating profit increased year-on-year by 28% reflecting the increased revenue.
- Profit for the year attributable to shareholders declined 6% versus the prior year reflecting a non-cash impairment charge against the Group's equity-accounted joint-venture in HPE Brazil that was partially offset by the Group's improved underlying performance.

Note: Yahsat's preliminary results are subject to external audit and may be different from the Group's audited consolidated financial statements. The Group's audited consolidated financial statements are expected to be released on 28 February 2023.
