

## Response Plus Holding reports AED 248 million revenue in the first six months of 2025

**Abu Dhabi, United Arab Emirates, July 30, 2025** – Response Plus Holding PJSC (ADX: RPM), the largest pre-hospital care and emergency medical services provider in the UAE and KSA, has achieved revenue of AED 248.06 million in the first six months of 2025, a growth of 18% compared to AED 209.88 million recorded in the same period last year.

Announcing the company's interim financial results for the first half of 2025, RPM registered net profit of AED 20.32 million, while total assets touched AED 404.32 million, up from AED 387.44 million as of December 31, 2024, reflecting continued balance sheet strength and sustained investment momentum. The Earnings Per Share (EPS) for the period was AED 0.10.

As part of its commitment to deliver shareholder value, the Board of Directors has approved an interim cash dividend distribution of AED 18 million to the shareholders.

Commenting on the results, **Dr Rohil Raghavan, Chief Executive Officer of Response Plus Holding**, said: "The first half of 2025 reflects our strategic agility and continued investment in excellence. From expanding into new geographies to launching the first-of-its-kind services in the region, we are driving impactful growth while prioritizing operational efficiencies. With a strong foundation and forward-looking initiatives, we are well-positioned to deliver greater value to our clients, partners, and shareholders."

RPM delivered strategic milestones during the first half of 2025, reinforcing its leadership in regional and global emergency medical care. The company expanded its aviation emergency operations to The Bahamas, demonstrating its capabilities to scale internationally while enhancing its disaster and air evacuation readiness.

During the Hajj season, the company deployed 350 medical professionals and 125 ambulances in 18 clinics across nine stations of Saudi Arabia Railways to support millions of pilgrims visiting the Holy sites. RPM also signed a MoU with Falcon Aviation to operate the UAE's first air ambulance service, a landmark step in enhancing the country's emergency response infrastructure.

RPM currently operates over 420 medical sites through key subsidiaries including Prometheus Medical, Occumed Clinic, Health Tech Training Centre, and Medical Manpower Supply. With operations spanning the UAE, KSA, Oman, India, the UK, Switzerland, and Norway, RPM remains firmly committed to redefining the future of pre-hospital emergency medical services.
