REPORT ON REVIEW OF INTERIM CONDENSED FINANCIAL STATEMENTS TO THE SHAREHOLDERS OF

ABU DHABI NATIONAL TAKAFUL COMPANY P.S.C.

Introduction
We have reviewed the accompanying interim condensed financial statements of Abu Dhabi National Takaful Company P.S.C. (the "Company") as of 30 September 2025 which comprise the interim condensed statement of financial position as at 30 September 2025, and the related interim condensed statements of profit or loss, comprehensive income for the three month and nine month periods then ended and the related interim condensed statements of changes in equity and cash flows for the nine month period then ended, and explanatory notes. Management is responsible for the preparation and presentation of these interim statements in accordance with International Accounting Standard 34, *"Interim Financial Reporting"* ("IAS 34"). Our responsibility is to express a conclusion on these interim condensed financial statements based on our review.

Scope of review
We conducted our review in accordance with International Standard on Review Engagements 2410, "*Review of Interim Financial Information performed by the Independent Auditor of the Entity*". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing. Consequently, it does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Other matter
The financial statements of the Company for the year ended 31 December 2024 were audited by another auditor who expressed an unmodified opinion on those financial statements on 27 March 2025. The interim condensed financial statements of the Company for the nine-month period ended 30 September 2024 were reviewed by another auditor who expressed an unmodified conclusion on those interim condensed financial statements on 13 November 2024.

Conclusion
Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements of the Company are not prepared, in all material respects in accordance with IAS 34.
