After Greetings,

Subject: National Bank of Fujairah Confirms Operational Resilience and Service Continuity

In light of recent regional developments, **National Bank of Fujairah PJSC (NBF)** confirms that its operations across the UAE continue to remain fully functional. All core banking services, digital platforms, branch network, ATMs, and the Call Centre remain fully operational, ensuring customers can access banking services seamlessly.

NBF activated its established business continuity and operational resilience frameworks to ensure the uninterrupted delivery of banking services while safeguarding the wellbeing of customers and employees.

The Bank continues to keep customers informed through timely updates via its digital channels, social media, and other communications platforms.

NBF's capital, liquidity, and funding position continue to remain strong and well above regulatory requirements, providing a solid financial foundation. The Bank benefits from a well-diversified business model and funding sources, supported by a prudent risk appetite and disciplined balance sheet management. Together, these fundamentals continue to underpin the Bank's resilience and its ability to support customers and stakeholders during evolving external conditions.

NBF continues to closely monitor regional and market developments and remains aligned with the guidance of the relevant UAE authorities. Enhanced vigilance across technology, cybersecurity, and operational resilience protocols remains in place to safeguard systems and customer interests.

These statements reflect NBF's assessment as of the date of this release, based on currently available information, and remain subject to change.

Employee and customer wellbeing remain a top priority, and the Bank will continue to monitor developments closely and provide timely updates as necessary.

Best regards,
National Bank of Fujairah PJSC
